## Member of the SNC-Lavalin Group

On July 3 2017, Atkins was acquired by SNC-Lavalin. The combined entity of Atkins and SNC-Lavalin has created one of the largest global engineering and project management consultancies with approximately 50,000 employees and operating across 50 countries.

## Education transforms the future

We support the education of the next generation of experts. As part of Engineer the Future we work to create the foundation for many more future knowledge workers and specialists in technological development. We cooperate with educational institutions, offer student jobs and internships and we provide lecturers at primary schools and universities.

## Quality assurance

Atkins is certified according to international standards:

- ISO 9001
- ISO 14001
- OHSAS 18001

and:

- 87:2005 (Kronesmiley)
- 1522:2007

which are the national standards for extraordinary good and sound working environment, safety and quality management.
